The Honorable Tom Woods  
Member of the Assembly  
State Capitol, Room 6011  
Sacramento, CA 95814

Dear Assemblymember Woods:

Thank you for your letter of July 29, 1998 regarding participation on the Bay-Delta Advisory Council's (BDAC) Watershed Work Group. You requested both the Shasta-Tehama Bioregional Council and a member of the biomass industry be invited to participate.

I have enclosed a copy of an invitation to participate letter which the CALFED Bay-Delta Program has sent out to a number of organizations and individuals with interest in our watershed efforts. Both organizations you mention in your letter have been requested to participate.

We are aware of the great public interest in the development of our watershed strategy and look forward to working with this new BDAC work group. If you have any questions or need additional information, please contact me at (916) 657-2666.

Sincerely,

Lester A. Snow  
Executive Director
